

## Directory MATLAB\DOCUMENTATION

This directory contains :

- The html documentation *saisir\_documentation.htm*. For using it, simply click on the text « *saisir\_documentation.htm* ». Your web explorer will load the file.
- The directory « *tutorial1* » contains an introduction to MATLAB itself (without any reference to SAISIR). The tutorial includes a lecture in pdf format , and the correction of the exercises as MATLAB scripts.
- A directory “*tutorial2*” which contains a self-sufficient lecture in pdf and the corresponding exercises for learning SAISIR.
